### Notes:

- Rates in this table are (i) subject to changes, (ii) per unit unless otherwise noted and (iii) excluding VAT.
- This table reflects Otrium's standard prices as currently applicable for services needed to enable the sale or the business-to-business shipping of brand partners' products stored in Otrium's warehouse in the Netherlands.
- As regards **photography**, packshot imagery consists of three (3) images: (i) front, (ii) back, (iii) detail; and model plus packshot imagery consists of five (5) images: (i) front model, (ii) back model, (iii) side model, (iv) ghost (IVM), (v) detail.
- The current rates for a **cycle count** of brand partners' products are available upon request.
- For products stored but at brand partners' request not offered to the public through Otrium's Marketplace, Otrium may, at its sole discretion, charge a **storage** fee of either EUR 0.006 per product per day or EUR 2.50 per pallet per week.
- Please contact your account manager in case of any questions.
