If Otrium were to operate multiple Warehouses, Otrium may transfer the stored Products between its Warehouses, wherever located in each of the operating territories and jurisdictions where Otrium is active or becomes active, if Otrium deems this necessary for maintaining adequate stock levels, improving its services and/or advancing sales of the Products, and any such transfer approved by the Partner is at the Partner's sole expense (including, but not limited to, the B2B Outbound Costs) and risk of loss. - 9.3. Upon delivery of the Products to the Warehouse for the B2C Marketplace, Otrium undertakes to count and scan such Products, provided that Otrium does not assess the quality of the Products delivered.
- 9.4. After the scanning process, Otrium will deliver to the Partner a final stock list in the form of:
- (a) a drop report, containing an overview of all scanned Products identifiable on the basis of the barcodes and other information made available by the Partner to Otrium in accordance with the Supply Terms; and
 - (b) if applicable, a leftover report, including (i) any scanned stock that can currently not be identified on the basis of the information made available by the Partner to Otrium ("**Scanned Unannounced Stock**") and (ii) any unscannable and therefore unidentifiable stock ("**Unscannable Stock**"),
- (together, the "**Final Stock List**").
- 9.5. The Final Stock List is considered to be the final list of Products received and stored by Otrium under the Agreement. This Final Stock List will also be used for invoicing purposes and shall be binding upon the Parties, unless the Partner notifies Otrium within one (1) week after receipt of the Final Stock List that the quantities set out therein are not in line with the Partner's expectations of the Final Stock List. In such case, the Parties shall work together in good faith to resolve the matter and if needed upon agreement between the Parties, Otrium will deliver to the Partner a revised Final Stock List.
- 9.6. Otrium will offer the Products that are part of the Scanned Unannounced Stock for sale after the Partner provided to Otrium the missing information needed to identify and enable the sale of such stock, as set out in the Supply Terms. If the Partner has within two (2) weeks as from the receipt of the Final Stock List not provided such missing information to Otrium, Otrium has the right, at its sole and absolute discretion, unless the Partner has notified Otrium to return such stock to the Partner at the Partner's sole expense (including, but not limited to, the B2B Outbound Costs) and risk of loss and provided a return address to Otrium:

 - (b) to donate such Scanned Unannounced Stock to charity or any of Otrium's recycling partners.
- 9.7. Unless the Partner has within two (2) weeks as from the receipt of the Final Stock List notified Otrium to return the Unscannable Stock to the Partner at the Partner's sole expense (including, but not limited to, the B2B Outbound Costs) and risk of loss, and provided a return address to Otrium, Otrium has the right, at its sole and absolute discretion:
- (a) to sell and transfer the Unscannable Stock to any B2B Buyer in accordance with Clause 13 pursuant to the terms for the B2B Direct Transaction, it being understood that this Clause 9.7 constitutes the Partner's consent within the meaning of Clause 13.1; or
 - (b) to donate any Unscannable Stock to charity or any of Otrium's recycling partners.
- 9.8. The Partner may at all times request Otrium to deliver, at the Partner's cost, a stock list on the basis of a new physical inventory count containing an overview of all stored Products, which shall include an overview of Products sold.
- 9.9. The Partner will have full access to the Otrium Partner Platform, providing the Partner with amongst others an overview of its inventory.
- 9.10. Upon return of unsold or returned Products to the Partner, the Partner shall accept a shrinkage deviation of up to 1% from the aggregate number of Products delivered by the Partner to Otrium (calculated by dividing (i) the number of lost Products by (ii) the aggregate number of Products on any and all of the Final Stock Lists) and, in addition, the shrink allowance will increase gradually with an additional 1% per 1 January of each new calendar year for Products that are stored in the Warehouse per such date. Otrium shall be responsible for any shrinkage above 1% or, if an increased shrink allowance applies, for any shrinkage above such increased percentage amount, it being understood that the value of any such excess lost stock shall be equal to the lowest discounted sales price on the Marketplaces minus the relevant Partnership Service Fees.
- 10. INSURANCE**
- All scannable Products on the Final Stock List are insured on market terms by Otrium, providing coverage in accordance with any applicable insurance policy in which Otrium is an insured party, such as for certain events in connection with the loss of and damage to the Products during transport arranged by Otrium and storage in the Warehouse. Products are insured at the average discounted sales price on the Marketplaces (excluding VAT) minus the B2C Partnership Service Fees.
- 11. B2C PARTNERSHIP SERVICE FEES**
- 11.1. Otrium shall be entitled to the B2C Partnership Service Fees from the Partner.
- 11.2. The B2C Partnership Service Fees consist of the B2C Commission.

12. VALUE ADDED SERVICES

12.1. If Products do not comply with the Supply Terms or require additional value added services (upon delivery by the Partner, upon return of any Products by a Customer or otherwise), Otrium has the right (i) to provide such value added services in relation to the Products as Otrium, at its sole and absolute discretion, deems reasonably necessary to enable the sale of the Products through the Marketplaces and (ii) to charge additional fees to the Partner for the performance of such services on the basis of the prices listed from time to time on legal.otrium.com/eu-partnership-terms#vas-rate-table-eu or the Otrium Partner Platform or as otherwise provided to the Partner by Otrium, at the time of provision of these services. These charges will be invoiced separately and set-off against the Self-Bill referred to in Clause 15.

12.2. If, pursuant to the Supply Terms, visuals are incomplete prior to the delivery of the related Products to the Warehouse, Otrium will notify the Partner and request the Partner to send any missing visuals. Without prejudice to Clause 9.1, if Otrium has not received such visuals on the first calendar day prior to the transport of the related Products to the Warehouse, Otrium has the right to provide photography services in relation to such Products in accordance with the following arrangement:

- (a) Otrium is allowed to provide photography services without the prior consent of the Partner up to 1% of the aggregate retail value per drop of Products;
- (b) for any photography costs in excess 1% of the aggregate retail value per drop, Otrium will send a notice to the Partner to obtain prior approval to proceed with the required services and in the event no response is received from the Partner within two (2) business days after the notice was sent, Otrium shall proceed with the required photography services; and
- (c) Otrium may determine at its sole and absolute discretion which type of photography is most suitable for the Products in question based on retail value and category, on the basis of the options and prices listed from time to time on legal.otrium.com/eu-partnership-terms#vas-rate-table-eu or the Otrium Partner Platform or as otherwise provided to the Partner by Otrium at the time of provision of these services, and these charges will be invoiced separately and set-off against the Self-Bill referred to in Clause 15.

- (d) the amount to be paid to the Partner is equal to the purchase price paid by the Buyer subtracted by the services fees due by the Partner pursuant to Clause 13.5(a) and, only if applicable, Product Liabilities asserted by the Buyer (as defined below), and the payment term for Otrium will not be shorter than 30 days after the delivery of the Products to the Buyer;
- (e) notwithstanding the foregoing, the Partner acknowledges that Otrium is not responsible for counting or vetting the Products sold as part of the B2B Direct Transaction, and Otrium will not be liable towards the Partner or the Buyer for any injury, loss or other liability arising out of or related to such Products, including any indirect, special, consequential, incidental or punitive damages (whether for loss of profits, loss of business, loss of goodwill, missed savings or otherwise) (the "**Product Liabilities**"); and
- (f) the Partner shall defend, indemnify, and hold harmless Otrium and its Indemnified Associates, from and against all suits, actions or
